

ACCOMMODATIONS

Please check with the Hotels regarding their policy towards dogs.

There are many hotels in the area but unfortunately some exhibitors have made it difficult for all. Nearby hotels have refused some exhibitors in the past. Damage waivers and additional deposits are necessary at most hotels. There are Hiltons, Holiday Inns, and a Ramada not too far away but arrangements must be made through their reservation numbers. Hotel policies may change toward dogs, please verify current policies when making reservations.

"Dogs found in an unsafe environment, distress or harm's way (for example: left unattended on a grooming table in a noose not attached to a safety release clip; left in a vehicle without proper ventilation) will be removed to safety. Exposing a dog to an unsafe environment, distress or harm's way is considered mistreatment."

OFFICIAL NOTICE * SUBSTITUTION OF JUDGES
CHAPTER 7, SECTION 8-ALL CANCELLATIONS MUST BE RECEIVED IN WRITING.

SATURDAY, JUNE 8, 2019

Dr. John F Davidson will judge Ms. Sandy I. Wheat's entire assignment.

Judges are not required to wait for dogs. They will adhere as closely as possible to the judging schedule printed in this program. The owner or handler of each dog is solely responsible for having it ready at ringside when its class is to be judged. The show-giving Club and Superintendent have no obligation or responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required. Being an unbenched show, you need to be at show only in time for your judging and may leave any time after judging. Numbers before each Breed represent the number of dogs entered in (1) the regular dog classes; (2) regular bitch classes; (3) Specials Only, Best of Breed or Best of Variety Competition; and in (4) Non-Regular classes.

For your convenience, the following class divisions have been carefully tabulated; however, neither the Club nor the Superintendent assumes responsibility for absolute accuracy.
