Judges are not required to wait for dogs. They will adhere as closely as possible to the judging schedule printed in this program. The owner or handler of each dog is solely responsible for having it ready at ringside when its class is to be judged. The show-giving Club and Superintendent have no obligation or responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required. Being an unbenched show, you need to be at show only in time for your judging and may leave any time after judging. Numbers before each Breed represent the number of dogs entered in (1) the regular dog classes; (2) regular bitch classes; (3) Specials Only, Best of Breed or Best of Variety Competition; and in (4) Non-Regular classes.

For your convenience, the following class divisions have been carefully tabulated; however, neither the Club nor the Superintendent assumes responsibility for absolute accuracy.

**DON'T LEAVE
YOUR DOG IN A HOT CAR!**

When it's only 80 degrees outside, a car can heat up to more than 120 degrees in just minutes. In that kind of heat, a dog could easily die. That's why the American Kennel Club recommends that dog owners never leave their dog alone in a car during warm weather.

For additional tips on canine summer care, request AKC's *Canine Summer Safety Tips* by contacting Customer Service at (919) 233-9767 or orderdesk@akc.org.

EXHIBITORS PLEASE NOTE

Exhibitors should follow their Veterinarians' recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

"Dogs found in an unsafe environment, distress or harm's way (for example: left unattended on a grooming table in a noose not attached to a safety release clip; left in a vehicle without proper ventilation) will be removed to safety. Exposing a dog to an unsafe environment, distress or harm's way is considered mistreatment."
